

Dear Parents,

We are able to offer a wide range of clubs this term. Please talk through this list with your child/children. We would encourage all children to take part in out of school clubs as they provide an opportunity to work in a relaxed way in a subject which they really enjoy. We expect that children who sign up for clubs do attend every week at least for one term.

Where the clubs are being run by outside providers a charge is necessary to cover their costs. Payments should be made directly to them but can be handed in at the office.

All clubs start week beginning 14th September and finish on 11th December (except Gym starts on 10th September). Please collect your children from the classrooms. If you want your child to walk home unaccompanied please let teachers know. If you have questions please do not hesitate to contact me.
